MAŽEIKIŲ KALNĖNŲ BASIC SCHOOL, LITHUANIA

The headmistress at Kalnėnų basic school

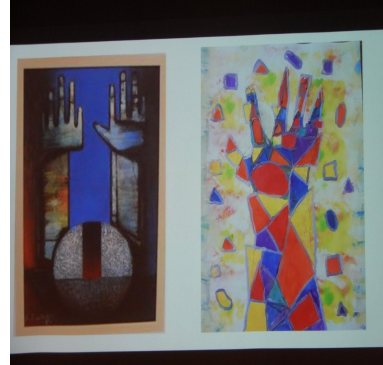

The project coordinator

There was a big event held on 13th and 14th March 2018 at Mažeikių Kalnėnų basic school as an activity of the project Erasmus+K2 "English Teaching With Innovative Web Tools 2.0 (ETWINET)". It was a meeting of a school community with local entrepreneurs. There also was an official representative of Mažeikių Educational Department at this assemblage.

The reflection on the pearls of Lithuanian artwork.

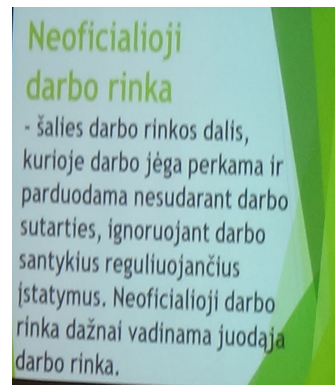

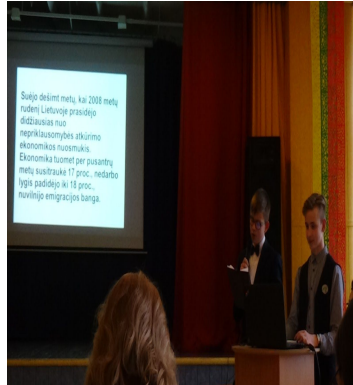

There were two aspects exhibited in this event. The first one was “Local artists, musicians and famous people who became the proud of Lithuania”. Their artworks and biographies were reflected in student’ projects. The students of a primary department of our school studied the creative works of musicians.. The students of a basic department, assisted by the Art teacher and primary department teachers, explored the art of Lithuanian artists and the audience could enjoy students’ reflection on their artworks.

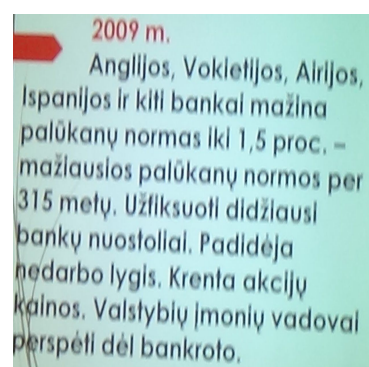

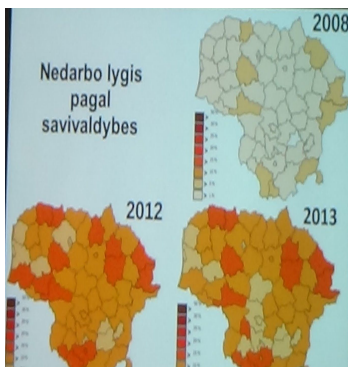

Entrepreneurship. Economic crisis in Europe.

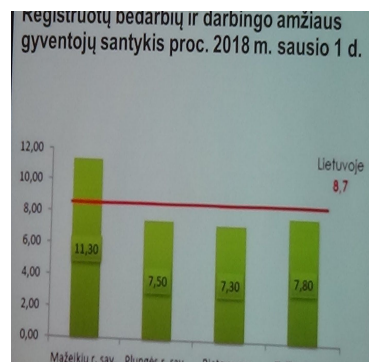

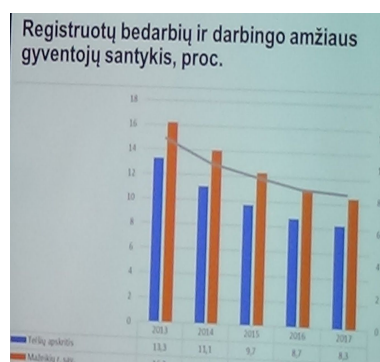

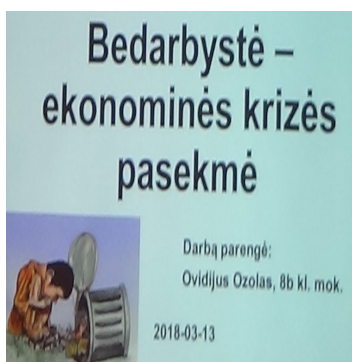

Other themes of the meeting were “Entrepreneurship. Stories of success in interviews. Economic crisis in Europe”.

At this event students and their supervisor, a Geography teacher presented their projects about employment and unemployment level in Plungė, Telšiai and Mažeikiai districts of Lithuania.

They made a research about economy, they studied the terms of “employment”, “unemployment”, “economy”, “economic crisis” and collected a lot of statistics about the issues of economy in Lithuania and Europe.

Success stories.

Young reporters and the school President took interviews from local successful entrepreneurs the head manager at Luminor Lietuva bank, a creative director at Mrs R kūrybos namai (The House of Creativity), the owner of Pica Roma pizzeria in Mažeikiai. The interview was carefully prepared with the help of the tutor of “The Young Journalists Workshops” at The House of Pupils in Mažeikiai.

This meeting with successful local business people had a great impact on students and teachers. The interviewees expressed their viewpoint on the great achievements in life, personal realisation and fortune in their carriers. They shared with the audience their life stories from the first steps to a victory. The motto of all of them sounded almost the same: Be yourself! Follow your dreams! Be persistent! Pursue the goals!

The meeting was filmed by the local TV “Roventa” : (15’45 - 27’32)
